37.0 NOTIFICATIONS

37.1 REDCOM shall be responsible for notifying, via CAD message groups, announcements to all agencies of the following:

37.1.1 Dispatch level updates during fire season.

37.1.2 Severe weather watches and warnings covering any part of Sonoma County.

37.1.3 State of California Office of Emergency Services (OES) watches or warnings, such as tsunami, earthquake or flood.

37.2 REDCOM shall notify all chief officers and managers of an agency of any serious injury to or death of a member of that agency.

This notification shall not be made over the radio

37.2.1 REDCOM shall make good faith attempts to notify Battalion Chiefs and or Ambulance Supervisors of pediatric code blue incidents (<18YO). This should be accomplished by toning the BC, regional BC or Ambulance Supervisor where appropriate and make an informational notification.
